To whom it may concern:

Ref: Pirates of the Caribbean Aerial High Wire Show

Every Hollween we have a big party for all the children and families on our farm. This year we were entertained by Pirates of the Caribbean Aerial High Wire Show, and it was a great success. They put on an awesome show that everyone loved, from the children to the parents to our guests. Mr. Murcia was very accomodating with our needs and requests. They were very gracious after the show with everyone. They are a very organized and profesional group. We have recomended them to other organizations and hope they can entertain us again.

Any questions, please contact us at the number above.

Thank you,
