Dear Vickie & Walter:

I appreciate your talent and commitment to providing spectators with two quality shows wrapped into one convenient package. The Victory Riders and the Sensational Murcia high wire act were both big hits with our patrons. Victoria Circus was definitely our most popular attraction at this year's Wilson County Fair.

Thank you for adjusting your performances to accommodate the difficult weather conditions. Our Board certainly understood the need to modify the high wire act due to high winds from the hurricane, and the spectators still enjoyed an excellent show. Please invite any prospective clients to contact me directly as a reference for your excellent show. Best wishes for continued success with Victoria Circus. I look forward to seeing you again soon.

Respectfully:

David L. Allgood
