Dear Mr. Murcia:

It became obvious after the first performance of the Pirates of the Colombian Caribbean your show would be a great addition to our fair entertainment. Even those people who attended the Greene County Fair on multiple days would gravitate to your show with anticipation of seeing pirates in action.

As President of the Greene County Agricultural Society, I commend you on the professionalism to which you conduct those who perform with you. I would personally recommend The Pirates of the Colombian Caribbean to be an exciting addition for entertainment for any event.

We are anticipating your return to Greene County, Xenia Ohio for our annual Greene County Fair, August 2-8, 2015.

Thank you for a week of uplifting entertainment.

Respectfully,
